ABOUT GLOBALBRIDGE

Global Bridge is an innovative mosaic company specializing in mosaic wholesale and project. Since 2001, we have been focusing on mosaic business and have export experience with about 20 years. We help clients to grow business by designing, manufacturing, sourcing and developing mosaic products.

Our services provide exceptional value by the quality and innovation on time. Our customers see us as their solution provider. As years' development, now we supply more than 10 thousand mosaic products which almost including each material. Customers can find different products in our 3000 sqm. modern showroom for glass mosaic, ceramic mosaic, stone mosaic, metal mosaic, wood mosaic and shell mosaic. Our products have been widely used in hotel, resort, shopping mall, swimming pool, spa room, garden, bathroom, kitchen and living room.

Today Global Bridge provides a vast array of products, designs, consulting and technical information for the benefit of our customers. We always keep introduce new mosaic products by visiting different countries to study the market and listen to the needs of our clients every year.

Our quality is about more than a certification or the QC process. Quality relies on the attitude to the products consistency and customer's trust. It combines the production speed, flexibility, teamwork and attention to the details. More important, it is about how we view our obligation and how we respond to the needs.

Our mission is to help our clients growing business. Hope we have the opportunity to cooperate and be a win-win partners.

Enamel

Enamel mosaic is crushed by recycled glass and remove impurities and ground into fine glass powder, mixed with toner and then pressed into various shapes with a mold. Fired in high temperature with a tunnel kiln. With rich colors and shapes, it can also be customized according to your needs. We also independently develop and design a series of original and exclusive products.
