Stone

Stone mosaic is made of natural stone that are cut into chips with a hacksaw and then polished. Stone Mosaic is the ancient and most traditional mosaic type. There are matte finish, glossy finish and natural finish for stone mosaic. As it has variety of forms, specifications are square, strip, circle and other irregular shapes. We also independently develop and design a series of original and exclusive products, keeping up with the market trend, and creating the best mosaic decoration products for you.
